Manfred S. Green, Kjersti Brattekås, Rebecca
K. Davidson.*

Donato Greco, epidemiologist and public health expert, discusses about national borders and the spreading of diseases. Conflicts of interest during public health emergencies are discussed by Anat Gesser-Edelsburg and Manfred S. Green, from the School of Public Health of the University of Haifa. Finally, Kjersti Brattekås and Rebecca K. Davidson, from the Norwegian Defence Research Establishment, talks about the conflict between secrecy and transparency in case of intentionally caused outbreaks.
