On October 14-17, Milan will host the [8th European Public Health Conference](#) [13], organized by the European Public Health Conference Foundation, the European Public Health Association (EUPHA) and the Italian Society of Hygiene, Preventive Medicine and Public Health (SITI). Aim of the event is to contribute to the improvement of public health in Europe by offering a means for exchanging information and a platform for debate to researchers, policy makers, and practitioners in the field of public health and health services research as well as public health training and education in Europe. Venue of the conference is the [MiCo - Milano Congressi](#) [14].
