The ASSET consortium will award three European health professionals in the primary health sector (preferably GPs or groups of GPs) with a 3,000€ educational grant each. Participation to the award is restricted to health professionals in the primary health sector (GPs or groups of GPs) who have implemented an activity or intervention to:

- improve the response of local

communities or groups of people to deal with outbreaks of infectious diseases, such as influenza, measles, pertussis

- promote immunizations for groups of children or adults for the prevention of diseases such as influenza, measles, rubella, pertussis.

These grants may be used for related activities, such as:

- attending a public health related European conference (such as ESCAIDE, EUPHA or relevant)
- attending the ASSET Summer School 2016 in Rome.
- spending 5-10 working days working in one of the ASSET partner organizations
- Other educational activity/ies, related to public health preparedness and Science in Society (SiS)
