High-level meeting on refugee and migrant health

Monday, November 23, 2015 (All day)

Ministers and senior representatives of Member States in the European Region will meet to discuss the numerous public health challenges posed by large-scale movements of refugees and migrants to transit and destination countries. These range from management of communicable and noncommunicable diseases to the impact of large-scale migration on health systems. Given the inter-regional relevance of this topic, ministers from the main countries of origin and of transit of refugees and migrants ? in the Eastern Mediterranean and African regions ? are also invited.
