Communication

Code:

WP7

Lead partner:

[Zadig Srl](#)

WP7 aims to:

1. produce a common communication strategy, joint activities, and education materials, which actively involve all types of partners in order to effectively disseminate any significant MML results in appropriate ways ?tailored? to reach the various targeted audiences;
2. ensure the highest visibility to the project?s activities and its main results.

WP7 will have to lay down a communication strategy of ASSET; to ensure project's visibility through traditional and new media tools; to document every major advancement of the project; to allow a bi-directional dialogue, educational opportunities and knowledge transfer among partners, stakeholders, policy makers and the general public. The Communication Unit will interact with all other WPs, notably with **WP4** (Citizen Consultations) and **WP5** (Mobilization and mutual learning) in order to align activities.
