

## PROJECT'S GOALS

To forge a Multidisciplinary Partnership to effectively address Epidemics and Pandemics.

To define and test a Participatory and Inclusive Strategy for successful Action.

To explore and map Science in Society-related issues in Epidemics and Pandemics.

To identify Resources necessary to make the Action Sustainable after project completion.

ASSET Action plan on Science in Society related issues in Epidemics and Total pandemics

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no 612236

## AN ACTION PLAN FOR IMPROVING PREPAREDNESS

Mobilization and Mutual Learning against Infectious Threats
