Decision Makers
Government and Public Health
Healthcare Professionals

Topic

Gender
Human Rights
Local Activities
Media
Policy
Prevention
Social Media
Stakeholders
Vaccination

The ASSET Communication Strategy consists of a general strategy, drafted for the whole Consortium, and Local Communication Plans for different countries. The Local Communication Plan, prepared for Bulgaria, aims to provide a general strategic framework, which can facilitate the further planning of actions, aimed at fulfilling the objectives, set out in the general communication strategy within the specific national context.
