The Health Department of the European Commission will organise a conference for Member States and partners on lessons to be learned from the Ebola epidemic. The event is organised in close collaboration with the Luxembourg Presidency of the Council and will take place in Mondorf-les-Bains from 12 to 14 October 2015. There will be four sessions, each of them focusing on a specific topic:

- the Ebola outbreak as a complex crisis: the unprecedented scale, severity, and complexity of the Ebola epidemic, and the need for enhanced inter-sectoral cooperation
- new strategies for treatment and prevention including protection of health

- care workers, medical evacuation,
diagnostic methods and vaccines
- communication activities and strategies
addressed to the public and health
professionals
- the changing 'status' of Ebola virus from
local challenge to global threat:
preparedness activities and global health
security
