The second edition of the **ASSET Summer School** ^[5] will be held at the Istituto Superiore di Sanità (ISS) in **Rome, Italy** from **June 15 to 17, 2016**.

Pandemics and other major infectious disease outbreaks management requires a multidisciplinary approach and the ASSET

Summer School focuses on

- Governance of pandemics;
- Unsolved scientific questions about epidemics and pandemics;
- Crisis participatory governance;
- Ethical, legal and societal implications of pandemics;
- Gender pattern ? vulnerability;
- (Issues related to) intentionally caused outbreaks.

See the [program](#) ^[6] here

NEW IN THIS EDITION

- In the 2016 Summer School edition, attendants will be given the possibility to present and share their own projects, researches, activities and experiences developed in the field of interest!

WHAT DOES THE SCHOOL AIM TO?

- Establish an interactive learning space for professionals involved in Science in Society (SiS) related issues in Pandemics;
- Share and exchange issues related to conducting and communicating research in SiS according to a transdisciplinary perspective, ranging from public health to social science and communication;
- Address and critically discuss current discourses on research methodologies and findings as well as on practice-based cases.

HOW IS THE COURSE DEVELOPED?

- The learning approach used in the ASSET Summer School is typically interactive and participatory in lessons given by top experts or witnesses in the field; exchange of study- or practice-based experience; mainly case studies.

WHO SHOULD ATTEND?

- Professionals with a background education and a working experience in the fields of: medicine, public health,

philosophy, social science,
communication, health care, health
economics, administration (max 20).
Fields of education and working
experience can be different.

- PhD students undertaking courses of study in the above mentioned areas

REGISTRATION FEE

- No registration fee is required
- Attendees will receive: School materials, lunches and refreshments during the course

TRAVEL & ACCOMMODATION

- Travel and accommodation expenses are on participants account.
- Travel grants will be available for 4 students. They will be selected within the evaluation process of CV and motivation letter filled in the registration form.

HOW TO APPLY

- The deadline for application is on May 5, 2016. The application form is available [here](#) [7].
- Applicants will be informed about the result of their application within 2-3 weeks after the submission of the form.

IMPORTANT NOTICE: please, do not make any travel arrangements before attendance is confirmed
