Dialogue & Participation

Code:

WP1

Lead partner:

NCIPD - National Center of Infectious and Parasitic Diseases

WP1 is about building a common approach concerning the societal challenges among the different project partners and ensuring the overall scientific coordination of the MMLAP.

WP1 main objectives are:

1. building a common approach to ASSET and creation of a common language;
2. identifying main topics and opportunities to be addressed in cooperative multi-actor research along the ASSET life;
3. sharing and transferring knowledge among ASSET partners;
4. improving competencies and quality of the leadership;
5. providing the scientific coordination of the project.
